**CONSECRATED LIFE** - The Sisters of Notre Dame will hold their General Chapter in Coesfeld, Germany, the place of their founding, from September 28, 2016, through October 24, 2016.

They kindly request that you accompany them in prayer during this time – that they may be open to the graces of the Holy Spirit as they elect a leadership team and discern their direction forward for the next 6 years.

The theme of the General Chapter is:
