CONSECRATED LIFE - The Missionary Sisters of the Claretian Institute (MIC) are celebrating their XVII Assembly at the House of Spirituality of Saint Anthony Mary Claret in Vic, their mother house, with the theme that accompanies and illuminates them these days: “Mary went in haste” (Lk 1,39).

On a very important day for the Claretian Family, like the 16th of July, they have elected their new General Government and they are formed by:

General Superior: Maria Gracia García-Baquero

Council Members: Pilar Rovira, Limpia Giménez y Wilma Mancuello.

A day after the elections, they have started with the Chapter Document and the lines that will lead them during the next sixennium.
