NEWS 2016 - On February 11, 2016, feast of Our Lady of Lourdes, the Mother General of the Daughters of Mary Help of Christians, Mother Yvonne Reungoat, communicated the name and the seat of the future Spanish Province that includes the four Spanish Provinces of SBA, SLE, SMA, and SSE.

The Province is named Mary Help of Christians and will have its seat at Madrid, Villaamil 18. It will be officially inaugurated on August 5, 2017.

In her letter, Mother Yvonne wrote: “We have thought it opportune to entrust the new Province to Mary Help of Christians. This name distinguishes you from other religious institutions and in Mary, we all feel represented and identified. In Spain, devotion to Mary Help of Christians is deeply rooted and you can share it with the young people, the laity, and the whole Salesian Family”.

Mary Help of Christians, who desired to plant the Salesian charism in our country and has accompanied the development of the Daughters of Mary Help of Christians in Spain during these 130 years of history, will guide and accompany us to live in the Church and in Spanish society a new phase of vocational and missionary fruitfulness.
