MESSAGES - As the Feast of Our Lady of Mount Carmel is approaching, the Prior General has written a letter to the Carmelite family expressing his best wishes and inviting all members to celebrate the Feast, beginning with the Novena to Our Lady of Mount Carmel from 7 to 15 of July 2015. This custom of the Novena of Our Lady of Mount Carmel before the feast is a long tradition and is observed by many Catholics throughout the world.

In his letter the Prior General addresses the important event of the year of the Consecrated life and three great figures of Carmel whom we celebrate this year, and who had great devotion to Our Lady of Mount Carmel: St. Teresa of Jesus on the V centenary of her birth; St. Simon Stock on the 750th anniversary of his death, and Bl. Bishop Oscar Arnulfo Romero, who was just beatified last May 2015.
